REPORT OF THE TRUSTEES

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Our Vision:

Supporting vulnerable people to live full and independent lives.

Our Mission:

To enable individuals to discover their potential through providing a safe environment where they can live, thrive, and receive support to transition to their next step in life.

Our Values:

- o **Integrity** We are honest, gracious, and respectful, and committed to working to the best of our ability.
- o **Compassion** We empathise and feel compelled to alleviate someone's suffering.
- o **Excellence** We are committed to providing the best quality service to everyone who is part of the OPENhouse family.

Core Principles:

- 1 Holistically supporting vulnerable and disengaged individuals to become independent.
- 2 Celebrating individual uniqueness and diversity of service users and staff; demonstrating equality across the organisation.
- 3 Accepting everyone for who they are and where they are in their lives.
- 4 Providing a welcoming space for all ages to live, thrive, and feel secure.
- 5 Remaining confident in our own ability to help others and continually developing ways in which we can improve our service.

REPORT OF THE TRUSTEES
for the Year Ended 31 March 2022

The primary objects of the Charity are:

- 1 To support people who through their social and economic circumstances, are in need or unable to gain employment;
- 2 To help vulnerable people to develop in every area of their lives as they grow as individuals and become active members of society;
- 3 To provide supported housing to vulnerable people who are in need due to social and economic circumstances;
- 4 To provide supported housing and floating support to vulnerable people with multiple mental health needs.

Charitable activities:

OPENhouse provides housing and support for homeless and vulnerable people with multiple and complex needs. Our key aim is to effectively facilitate the transition of our service users from a position of vulnerability and dependency to living 'fully functioning lives' within their capacity to do so.

This is achieved in three independent yet interdependent ways through:

- 1 Housing and Support for individuals at risk of homelessness or who are homeless. This does not simply involve finding individuals accommodation but working with them to achieve their potential and learn life skills, enabling them to make a positive contribution to the community rather than living a life of dependency;
- 2 Housing and Support for individuals with mental health conditions. We provide a residential setting within the community where we focus on developing individual ability to manage diagnosed needs.
- 3 Floating Support (In-home) for people with complex needs who are living independently.

OBJECTIVES AND ACTIVITIES

Public benefit

OPENhouse welcomes all people regardless of personal background, faith, gender or personal circumstances and we believe this philosophy of openness to all enriches everyone through the sharing of the skills, values and life experiences.

Our Stroud sites provide the local community with centres for a variety of activities and events for many groups. We believe equal access to our services is vital to our success and that successful outcomes must be shared by all communities that use our services. We believe in working with other organisations to broaden the impact and influence we have with the varied people we work with. Our skills can be applied to all ages and abilities and our service can be beneficial to vulnerable individuals from all walks of life.

Each area of OPENhouse works carefully to refine their practice to achieve a careful balance between growing the organisation and not diluting the high quality of service delivery or OPENhouse's Mission, Vision, Values and Core Principles. Sharing information, knowledge and expertise is crucial to our success and our ability to respond to a rapidly changing landscape. All members of staff and service users are encouraged to be curious, ask questions and be prepared to kindly challenge and discuss to reach agreement as a team.

Trustees pay careful attention to the Charity Commissioners guidance on public benefit and the activities carried out are consistent with those requirements.

OUR WORK:

Supporting People [SP]

The Accommodation Based Support contract that we had were awarded in 2019 has not been called off to date. This was slightly disappointing as it would have aided our flexible approach to supported accommodation. Mixing several housing needs in one building would have given further financial security and enabled us to respond to local need.

Enhanced Living and Support [EST]

The Enhanced Support Team provides specialist support for those in their own homes and within our self-contained flats at Delmont's Lot. Throughout 2021/22 we supported 4 service users in self contained accommodation at Delmont's Lot, 3 young people in the shared flat 5 and 11 service users within our floating support 'in-home' service. Most of the individuals we work with have some form of complex mental health need, Autism Spectrum Disorder or Learning Difficulties and rely on continued planned support.

Entrenched Rough Sleepers

Since April 2020 OPENhouse has accommodated 10 rough sleepers in Painswick Inn. This Stroud District Council funded project has provided person centred accommodation and trauma informed support and as a result the service has transitioned 9 people during this financial year.

In its simplest form this project houses 10 vulnerable rough sleepers taking them off the streets, keeping them safe and supported. However it's far more than that. The social value of providing accommodation to people who find themselves rough sleeping has a benefit to the community as well as enhanced individual wellbeing.

OPENhouse have continued to provide a bed for the severer weather emergency protocol scheme throughout the winter and during the period of unseasonal heat in the summer. A further extension to this service has been planned for early 2023 with the addition of a direct access pod which will used to assess emergency cases and ensure they have a safe space to sleep before they are accommodated.

ACHIEVEMENT AND PERFORMANCE

A review of the charity's business

Throughout 2021/22 OPENhouse has continued to provide supported housing, and complex needs support for homeless people and vulnerable individuals. Funding cuts and contractual changes have made this work challenging but we have continued to achieve successful outcomes and OPENhouse is establishing a positive reputation for this work. Strategically the CEO and Trustees agreed that OPENhouse needed to widen its remit to include all vulnerable people in society which would future proof the charity by being able to respond to immediate local and county needs.

The main objectives for the year ending 31 March 2022 were:

- 1 Ensure our service users are at the heart of everything we do by providing a supportive environment where they can live and feel valued.

- 2 Focus on the community we serve by providing a supportive environment and building relationships where individuals feel safe and where they have the capacity to take ownership of their own challenges and successes.

- 3 Maximise income and minimise voids across the charity.
- 4 Review the overall site to complete an investment schedule of works.

ACHIEVEMENT AND PERFORMANCE

Financial Review

The Charity's income was £480,825 in 2021-22 against an expenditure of £466,734 leaving a surplus of £14,091 in the year's accounts. The surplus has reduced this year due to building improvements to the Painswick Inn and a slight reduction in occupancy levels at Delmonts Lot.

The outstanding debtors is a financial challenge for OPENhouse. OPENhouse has a policy of ensuring that debts are repaid and pursued, and we actively work with each debtor to ensure effective and sensitive debt recovery. Each department has responsibility for their own budgets and works collaboratively with Senior Management Team to control costs, maximise revenue and proactively seek new streams of funding wherever possible.

Income

The Charity continues to benefit from its property portfolio with Commercial leases, and Hall hire contributing £69,887.

Our principal funding streams come from Gloucestershire County Council, NHS and Stroud District Council contracts.

Expenditure

Central costs have increased from £132,309 in 2020/21 to £145,000 in 2021/22 this is largely due increased repairs due to property damage from residents and general building maintenance. This figure may increase next financial year as it is expected that the listed buildings will need further renovation and maintenance due to an annual health and safety review. This year the Charity has written off £4,533 of historic bad debts from previous years within this year's accounts.

Fixed Assets

Total Assets for the year are £1,525,000 which is made up from fixed assets of £1,025,000 and our property investment portfolio of £500,000. The Company applies a straight-line depreciation rate of 20% to plant and machinery and 15% reducing balance to fixtures and fittings.

The current assets stand at £316,253, with current liabilities of £76,274 with long term liabilities of £154,984 a significant reduction on last year's figures .

FINANCIAL REVIEW

Reserves policy

The target for reserves not committed or invested in tangible fixed assets held by the charity should be a minimum of 3 months expenditure for charitable activities. The Trustees view a target of £100,000 in cash funds being desirable, with £80,000 being required to cover three months full staffing costs. The present level of cash funds is £272,209 which is an increase on last year, due to staffing gaps.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 15 June 1979 (Company Number 01429772) and registered as a charity on 29 November 1982 (Charity Number 285834). The company was established under a memorandum of association, which established the objects and powers of the charitable company and is governed under its articles of association.

Recruitment and appointment of new trustees

Trustees can be appointed by the existing Trustees at any time throughout the year to fill a vacancy or by way of an addition to the board provided that the prescribed maximum (12) is not thereby exceeded. The appointment shall be retained until the next Annual General Meeting (AGM) when they will be eligible for official election. Trustees delegate responsibility for the day-to-day management and running of the charity to the Chief Executive Officer (CEO) and the Senior Management Team (SMT). Trustees review major strategic, business and operational risks which the charity may face and ensure the required regular reporting procedures are in place enabling any risks can be identified and minimised. Throughout the year Trustees are given the opportunity to attend relevant training courses, including Governance and Safeguarding.

Trustees take their governance role very seriously in step with the Charity Commission's guidelines. Trustees meet on a bi-monthly basis providing specialist information and operational support, in line with their skills and expertise.

REPORT OF THE TRUSTEES
for the Year Ended 31 March 2022

Organisational Review

The most significant challenge for OPENhouse this reporting year has been the recruitment of new staff and retention of existing staff. Recovery from COVID and Brexit have had an adverse impact on the numbers of individuals seeking employment in Health and Social care roles. Staff numbers at OPENhouse have reduced due to increased voids at Delmonts Lot. Outsourcing operational functions including HR, H&S and IT allows us to access skills and expertise that would be cost prohibitive in house.

The main challenges facing local authorities and service providers includes, reduced funding from central government, an ageing population with more complex needs, increasing demand for services especially, mental health, addiction and complex needs, escalating medication costs, recruiting quality staff with the right skills and expertise. All these challenges are placing considerable pressure on the local authority, the NHS and social care finances This community support is suffering from staffing shortages and reduced funding which in turn increases the pressure on in-house support provision.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Strategic Direction

- o Focus on our Stroud based work with vulnerable people, particularly the entrenched rough sleeper cohort.
- o Ensure our vision and values are evident in everyday working practice and procedure.
- o Agree a new strategic direction for OPENhouse in light of local changes and need.
- o Build key relationships with the County, District and Town Council and organisations that support our work and align to our values.
- o Develop new digital frameworks to help staff carry out their day to day work more efficiently.
- o Better utilise our website and social media to educate and promote our work.
- o Improve staff training and development opportunities to ensure employees feel well equipped and prepared to deliver an excellent high-quality support service.
- o Partner with organisations to help us improve our offer to Staff and Clients.
- o Ensure OPENhouse is financially sustainable for the future.

Risk Strategy

The charity's most significant financial risk is protecting present and future sources of income and its resources, followed closely by control of the processes for paying the organisation's liabilities.

As the current cohort of residents has changed to a more chaotic entrenched client base we are at an elevated risk of increased debtors and room damage. Procedures and processes have been amended to include tighter screening and should assist to mitigate risk.

Reduced staff numbers means consequently fewer individuals hold more knowledge. To reduce operational risk, outsourcing key operational functions such as accounts, IT and HR reduces the risk of interruption to service delivery should key staff members leave the organisation.

As expenditure on capital assets will be required to maintain the listed buildings, it is important to ensure investment in maintaining our listed buildings by completing remedial work to avoid high structural costs in the future and avoidance of contravening Health & Safety policy.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Administration and staff

The SMT meet once a week to plan, make decisions and review performance across all charitable activities. All key management and strategic decisions are reported to the Board of Trustees in report form bimonthly.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.
Plant and Machinery - at varying rates on cost

No depreciation is charged in respect to freehold land and buildings

Investment property

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

Debtors

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

Cash at bank and in hand

Creditors

Creditors are recognised where then charity has a present obligation resulting from a past event that will result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are recognised at their settlement amount.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

**SHIRE TRAINING WORKSHOPS LIMITED

Notes to the financial Statements

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Significant estimates and judgments

Preparation of the financial statements requires management to make significant judgments and estimates. The items in the financial statements where these judgments and estimates have been made include:

Useful economic lives of tangible assets

Significant estimates and judgments

the annual depreciation charge of the tangible assets are sensitive to changes in the estimates useful economic lives and residual value of the assets. The useful economic lives and residual values are amended when necessary to reflect current estimates, economic utilisation and the physical condition of the assets. See the Tangible Fixed Asset note for the carrying amount of the assets

Impairment of debtors

The charity makes an estimate of the recoverable value of trade and other debtors.
